How Does Your Membership Help?

Your membership helps everyone with a developmental disability in Livingston County (and beyond). Your support of The Arc Livingston helps to empower people with developmental disabilities and their families to ensure that they as citizens are valued, and that they can participate fully in and contribute to the life of their community. Following are just some of the ways you make a difference.

- Shows people with developmental disabilities that the community is behind them.
- Supports The Arc Livingston so it can continue advocacy at local, state, and national levels regarding disability-related issues.
- Helps to make all The Arc Livingston's programs free or minimal fees for all participants. Programs and services include:
 - Educational advocacy: Support families who have children age birth to 26 years old who may need special education services to be successful in school.
 - Social programs: Provide opportunities for ALL to be part of social programs in our community, including dances, sport opportunities, and summer recreation scholarships.
 - Support services: Help people navigate the systems and resources available to those with developmental disabilities. This includes:
 - Support Groups
 - Representative Payee Services
 - Person Centered Planning
 - Resource Referral Help
 - Learning Opportunities

What Do You Receive?

In addition to showing your support of people with developmental disabilities, you will receive:

- Automatic enrollment in the state and national chapters of The Arc.
- Regular newsletters from your local, state, and national chapters.
- Reduced fees and advanced registration for some of The Arc Livingston sponsored events.
- An Arc Livingston magnet.

Become a Member Today!
